magic  
An expert know-how

WE HAVE GIVEN **KRYSTALE**  
ALL OUR **PASSION** AND OUR **LOVE FOR THE TRADE**  
TO OFFER YOU AN **EXCEPTIONAL**, GASTRONOMIC  
AND AESTHETIC PRODUCT.

- ◇ Krystale is preciously bred in specific rectangular hanging bags to replace usual flat and fixed mesh pockets.
- ◇ It grows harmoniously in small densities.
- ◇ It benefits from an optimal diet that offers a constant balance of flesh and taste throughout the seasons.
- ◇ To sublimate it all, the clashing of Krystale oysters in the hanging bags generates a powerful shell, a beautiful nacre and a muscle greater than the ordinary oysters. This gives it its delicate sweet flavour.
